

Bgreen logo badges 09/23/2009

DO NOT resize the logo badge larger than the largest or smaller than the smallest badge. The logo badge has a white outside border to offset it from a dark or photographic background. The one-color (here, black) logo badge may be put into any color needed for your layout.

Please contact Sarah Dukes (309-677-2243) if a unique proportion is needed.
